BECOMING

THE ARTS AND HUMANITIES BUILDING, CCBC
7281 ROSSVILLE BLVD, BALTIMORE, MD 21237

Every year we host our Becoming exhibitions on the Catonsville and Essex campuses. The Portfolio Class is our art students' capstone course and prepares them for their next steps in their careers, be that moving onto a 4-year institution or entering the work force.

This exhibition showcases the selected artworks from our talented students. We hope you can help us celebrate on the reception night where there will also be voting and awards for artworks in several different categories.
